Mansoura

SUMMARY

Abdullah, a proficient front-end developer with one year of experience, specializes in Vue.js, HTML, and CSS for web application development. He excels in crafting dynamic user interfaces, utilizing Vue.js features like single-page applications and Vuex for superior experiences. His portfolio spans data management apps, admin dashboards, and dynamic web apps, all optimized for interactivity and performance. Abdullah is committed to ongoing growth in front-end development, eager to contribute his expertise to innovative tech projects.

PROFESSIONAL EXPERIENCE

Front End Developer intern 2023 - Finished
Qutell Technology Mansoura

- I have interned in the field of frontend development for a duration ranging from one to three months and have understood the basics of working with a team on real projects, which has increased my practical experience.
